

Glossary of abbreviations and acronyms in the lists

You will find below 3 abbreviation glossaries which correspond to the list's country of origin (Germany, UK, Switzerland). In fact, the abbreviation F. does not stand for the same thing in the British list (« Füselier ») as in the German list ("für").

These tables are not exhaustive. You can report abbreviations that are not yet identified (using the "Contact Us" link at the bottom of the home page), we will regularly update the abbreviations glossary.
